

I am requesting that you do not allow LPFM to take priority over FM translator service. K-Love radio station provides my family and the community with positive music as an alternative to the secular music. They help make the community better through events they relay through their programs as well as providing prayer support for all who request it. I do not want my family or this community to lose the ability to hear K-love radio station. It is too important to our families and the community as a whole.
